

**Product Series:** MPV – NV

**Product Type:** Diaphragm Check Valve  
Normally Open

**Housing Material:** Nylon 6/6

**Inlet:** Natural Nylon

**Outlet:** Black Nylon

**Temperature Rating:** -50°F to 275°F

**Characteristics:** Resistance to Impact, Fatigue, Wear,  
Fuel, and Oil; High Mechanical  
Strength, Stiffness, and Hardness;  
Lightweight

**Diaphragm Material:** Viton®/FKM

**Temperature Rating:** -50°F to 275°F

**Characteristics:** Heat, Fuel, Ethanol, and Methanol  
Resistance

**Pressure Rating:** 50 psi

**Sealing Pressure:** < .05 psi
