## 266 CITROL® (SPRAY)

Citrol® is a biodegradable, environmentally safe, water soluble, heavy duty, organic citrus base, solvent cleaner and degreaser. It is designed for use in almost any industrial, transportation or general plant maintenance operations as a replacement for hazardous, environmentally unacceptable, aliphatic, aromatic, chlorinated, fluorocarbon, alkaline, acidic or petroleum solvent base cleaners and degreasers. Citrol®'s formulation does not contain any unacceptable petroleum distillate, petroleum hydrocarbon, chlorinated or chlorofluorocarbon type solvents, thus making the product environmentally acceptable for use.

Citrol® is specially formulated from a combination of organic citrus-based solvents and a multi-component surfactant-emulsifier system. This unique combination provides Citrol® with the ability to rapidly penetrate and lift various soils, dirt, inks, petroleum, animal, and vegetable-based oils, fats and greases so that they can be easily removed by water rinsing.

### INDUSTRIAL PLANT DEGREASER

To degrease mill stands, plant machinery, forklifts, conveyors, oil cellars, tar pumps, and valves

### INDUSTRIAL CLEANER

To clean floors, walls, production machinery, and mobile equipment.

### IN THE SHOP

To degrease engines, transmissions, motors, housings, parts, floors, walls, and to remove road tar and grime from trucks, dozers and tractors.

### WASTE TREATMENT PLANTS

To degrease, clean and deodorize lift stations, wet wells and walls, catwalks, bar screens, sump pumps, scum pits and troughs, transfer pipes and equipment.

### MINING OPERATIONS

To degrease and remove open gear lubes, dirt and grime from dipper sticks, house rails and rollers, underground equipment and mobile equipment.

**CAUTION: Prolonged immersion with Citrol® may attack some plastics, aluminum and painted surfaces. Spot test before using.**

## TYPICAL PROPERTIES

pH (concentrate)	9-10
Freezing Point	20°F/-7°C
Solubility	Complete solubility in water
Rinsability	Excellent with water

### VOC Regulations:

**CA: Not for sale in California.**

**CO, CT, DE, MD, NH, RI, UT: Product is for use in the manufacturing process only.**

**DC, IL, IN, MA, ME, MI, NJ, NY, OH, PA, VA: Not for retail sale.**
